Kidz Around Parties – Entertainment Guaranteed!

Find A Party To Suit You

Here's a brief outline of what to expect.

Play Around

Based around Mini Gym, Bouncy Castle and Soft Play games, these activities are designed for 3-5 year olds and provide a play time atmosphere. Mini Gym sessions provide a great experience for young children, or you can opt for a Bouncy Castle and games.

Bounce Around

5-12 year olds can bounce around to their hearts content at this party with a bouncy castle and lively party games. Games are created according to the age range and designed to provide great fun for all.

Jump Around

Trampolining is the main focus for 8-14 year olds at this party, but we also have a mix of games activities to keep the party buzzing.

Dodge Around

Lots here to choose from for 8-12 year olds. Select from Football, Parachute Games, Basketball, Bats and Balls. Multisport parties are also an option, but we don't recommend too many different activities so that the children get concentrated fun out of their one hour session.

Dance Around

Get those feet on the move. Based around the revolutionary dance mats, challenges and activities are designed to fit the age of the group attending. From age 8+ upwards, this is an hour of brilliant dance fun.

Climb Around

Are you up for the challenge? Our climbing walls provide great fun for the young and

adventurous. Our mini mountain challenges are incredibly stimulating and provide a sense of adventure and achievement.

Caving

Get going underground! Try out our artificial caving system for an action packed start to your party. Three graded tunnels provide an appropriate challenge to suit all abilities.

Bike Around

Take a tour on our mountain bikes. Let our qualified instructors lead your party over the scenic Dunstable Downs. (Seasonal activity. Ability to ride is essential)

Drive Around

Want to try out golf at your party? Call the Active Golf Centre at Stockwood Park and they will talk through the options with you.

Splash Around

Fabulous fun in the water. This very flexible party caters for 5-12 year olds. You can choose what you would like in the water from inflatables, slides, mats and balls. It's an exciting hour full of fun.

Power Party

If you love excitement and the water this is definitely you. Select from a combination of activities including inflatables, inflatable slides, diving boards, mats and balls. Power your way to an action packed party and an hour of brilliant fun.
